MADE IN KOREA

LIDIX JL-2V (1+1)

TECHNICAL SPECIFICATIONS

Advanced technology for accurate cash sorting, counterfeit detection, and multi-currency processing.

SPECIFICATION	DETAILS
 Product Type	Heavy Duty Mixed Currency Value Sorter
 Image Processing	Full Image Scan Technology
 Image Analysis	6 Image Analysis System
 Currency Processing	Auto & Multi Currency
 Display	4.3" Full Color Touch LCD
 OCR Recognition	Dual Side Serial Number Recognition
 Counterfeit Detection	Full Line Magnetic Sensor
 Fitness Sorting	Soil, Tear, Hole, Tape & Stain Detection
 Software Upgrade	SD Card & Ethernet
 Certifications	ISO9001, ISO14001, CE, CB
 Processing Type	Mixed Currency Value Sorting
 Machine Type	1+1 Pocket Heavy Duty Sorter
 Printer Support	Optional Thermal Printer

KIGALI SMART SOLUTIONS

LIDIX JL-2V (1+1)

ADVANCED FEATURES

Designed with intelligent image processing, advanced authentication, and high-speed performance for professional cash management.

FULL IMAGE PROCESSING

Complete note image scanning for precise verification.

HIGH-SPEED PERFORMANCE

Optimized for continuous heavy-duty cash counting.

ADVANCED IMAGE ANALYSIS

6-image technology for superior accuracy.

AUTHENTICITY DETECTION

Accurate counterfeit detection using advanced sensors.

DUAL SIDE SERIAL & OCR

Reads serial numbers from both sides instantly.

EASY SOFTWARE UPGRADE

Fast offline (SD Card) and online (Ethernet) updates.

OCR RECOGNITION

Fast and accurate OCR character recognition.

SD CARD & ETHERNET UPDATE

Flexible update options for maximum convenience.

AUTO MULTI CURRENCY

Automatically detects and processes multiple currencies.

DUAL SIDE IMAGE SCAN

High-resolution image capture from both sides.

FITNESS SORTING

Detects soil, tears, holes, tape, stains and damaged notes.

OCR IMAGE RECOGNITION

Intelligent optical character recognition technology.

FULL LINE MAGNETIC SENSOR

Advanced magnetic security verification.

ISO9001 CERTIFIED

Certified international quality management system.

4.3" FULL COLOR TOUCH LCD

Crystal-clear touchscreen with intuitive controls.

ISO14001 CERTIFIED

Environmentally responsible manufacturing standards.

CE & CB CERTIFIED

Meets international safety and compliance requirements.

OPTIONAL THERMAL PRINTER

Instantly prints transaction and audit reports.
